

Employment Opportunity

Drywall Finisher

Are you looking for a rewarding career with a dynamic builder with proud Atlantic Canadian roots, a purpose-driven culture, and an unwavering commitment to exceeding client expectations and having positive community impact? DORA Construction is looking for you!

Why choose DORA Construction to build your career?

1. Make an Impact in Local Communities with Projects That Build Communities

Since 2003, DORA has delivered exceptional projects ranging from large commercial projects to meticulous restorations, building with pride, skill, and integrity. With office locations in Halifax, Lunenburg, and Sydney, DORA's service offering encompasses design flexibility, innovative building technologies, project management excellence and client relationship focus and covers a broad spectrum of project types including new retail, commercial, residential, and industrial, Net Zero, historic restorations, community/non-profit and First Nations construction.

2. Become Part of a Rewarding and Inclusive Work Environment

DORA believes in not only talking the talk, but we also stand by our values and ensure our employees do as well. We are committed now more than ever to providing a safe, diverse and inclusive workforce for everyone. We support ongoing training, education, and leadership to encourage personal and professional growth for all. Our commitment to getting the job done and building quality client relationships is visible through our humility and teamwork every day, whether it be in the office or on the job site. We celebrate our successes together and are proud when our vision comes to life!

Dora Construction believes in building communities that are connected and make an impact.

- We build solid.
